

Movingui Figured

Muningga

A close-up photograph of a wooden surface, specifically Myanmar Padauk. The wood grain is highly textured and runs vertically, showing a mix of light and dark brown tones. The grain pattern is irregular and wavy, with some areas appearing more densely grained than others. The lighting is even, highlighting the natural texture of the wood.

Myanmar Padauk

Myrtle Burl

Narra

The image shows a close-up of a wood surface with a vertical grain pattern. The color is a warm, medium brown with subtle variations in tone and texture, including some darker streaks and lighter patches. The grain runs vertically from top to bottom.

Nimwood Crown

A close-up photograph of a wood surface showing a vertical grain pattern. The wood has a warm, light brown color with darker, reddish-brown vertical streaks and lines. The texture is smooth but shows natural wood grain variations.

Red Oak Rough Crown

A close-up photograph of a wood surface with a prominent vertical grain pattern. The wood has a warm, reddish-brown hue and a rough, textured appearance. The grain lines are closely spaced and run vertically across the entire frame. The lighting is even, highlighting the natural texture of the wood.

Santos Mahogany

Santos Rosewood

A detailed close-up photograph of a Santos Rosewood wood surface. The wood grain is highly textured, featuring a series of vertical, wavy lines that create a sense of depth and movement. The color is a rich, dark brown with subtle variations in tone, ranging from deep chocolate to almost black in the crevices of the grain. The lighting highlights the natural texture and grain pattern of the wood.
